

Partner with National Co+op Grocers

Get your products in front of the industry's most committed health and wellness consumers

We represent 165 community-owned and operated food co-ops with nearly 241 retail locations with 1.3 million committed members invested in their success nationwide.

As UNFI's second-largest natural and organic customer and third-largest customer overall, with over \$2.5 billion in annual sales, we are a well-established and trusted industry partner.

Partner with National Co+op Grocers

Drive volume and build loyalty with Co+op Deals

Co+op Deals is NCG's flagship promotional program and one of the largest in the natural products industry, proven to deliver value, encourage brand loyalty and introduce your products to new customers.

Benefits

- Over 360,000 print and digital flyer views each month
- 6 annual coupon events
- 1 point of introduction for 241 retail outlets
- On average, more than 20% of a brand's NCG sales are driven by Co+op Deals
- 7% average increase in revenue when you participate in Co+op Deals
- Multiple size and premium ad space opportunities

Get your products on more shelves, faster

Our Core Sets Program allows you to introduce new products to our member co-ops in just one stop.

NCG is in business to make a better world

NCG advocates nationally for cooperative business, inclusive economies, racial equity, food justice, local food and farming, organic certification, climate action, environmental responsibility and engaged citizens and vibrant communities. We are a founding member of the [Climate Collaborative](#), urging industry leaders to take the reins and reverse climate change. NCG is proud to be a [Certified B Corp](#).
