SPINS PRODUCT HUB

Boost visibility of your products to retailers, distributors and investors

Are your products getting missed?

Ensure your full product line-up is represented in SPINS tracked sales data, visible to hundreds of retailers, distributors and investors who rely on SPINS data to spot new products and innovation trends. SPINS Product Hub allows brands to submit product information to be included in SPINS library.

It's easy and completely free to submit your products!

UPLOAD PRODUCT IMAGE

ENTER PRODUCT INFORMATION

SUBMIT & LEAVE THE REST TO US

NOTE: The best time to submit new products is during manufacturing before being actively sold to ensure initial sales activity is reflected in reporting.
